Thank you so much for your participation and dedication! Thanks to all volunteers who helped us during the session. We are really proud of each one of you.

Math Kangaroo

Congratulations to all students participating in the Math Kangaroo 2018 competition. We were happy to see the students and their love for mathematics. Thanks to all volunteers, it would have been impossible to conduct the test without your help. We hope to see you next year. Hopefully sometime prior to the end of the school year we will have an award ceremony in order to congratulate students with the highest scores in both Math Olympiad and Math Kangaroo.
