

Bay Area Companies That Match Employee Donations

To our knowledge, the following local companies offer a matching gift when their employees make a personal donation to a nonprofit organization such as a public school. This means that your employer may be willing to match all or part of your donation amount with its own donations to JFS PTA - what a great opportunity, and one we really don't want to miss out on! Our list is compiled from other lists found online and may not be comprehensive, so please check with your employer (HR or People Operations department) if not listed below. Your employer will provide you with all the information needed to process your matching gift request. If you find that your unlisted employe does offer a matching gift program, please let us know so that we can add them to our list. If you know the direct URL link to their matching program, please include it. Thank you!
