

JFS Elementary School PTA

(2018 - 2019)

Please join JFS PTA and get involved in your child's school

The PTA provides opportunities to meet and connect with other parents, teachers, and school administrators. There is no better way to know what is happening at our school and community.

GIVE BACK: By donating and becoming a part of the PTA, you will be directly contributing to your child(ren)'s experience at JFS. This year, the main focus is to support the **STEAM program** at our school, which includes funding the staffing needed for a successful program, lab supplies, as well as STEAM assemblies. JFS PTA is raising **\$100K** to support various school programs with 75% of funding allocated for the STEAM program. Your generous contribution also supports our teachers in the form of classroom supplies and technology, as well as multiple events and academic programs such as Drama, Math Olympiad, Jr. Lego League, annual school carnival, Reflections, and much more.

PERKS: *Enjoy all the benefits of being a PTA member!*

For more information on the benefits, visit:

http://downloads.capta.org/mem/MP_July2018Flier.pdf
